Message from the Pres... *Louis Fehrensen*

Dear Members

What a great contest we held this year. It was very well attended and everyone had a really fun event. Once again the weather and waves were outstanding, even better than last year. The members and menehunes ripped up the surf. I'd like to personally thank all those who came down to offer their assistance on the day of the contest. This is the first year we had plenty of volunteers for all the jobs. That is inspiring! Lastly, I'd like to thank our contest organizers Stephanie, Lorraine, Shawn, and PeteZ. Without their work, this contest wouldn't happen. Please visit our website to check out all the contest photos: www.ljssa.org.

Welcome to summer time San Diego where the negative effects are concentrated at our little piece of paradise, La Jolla Shores. The beach population increases by an additional million people or so, the weather gets gloomy, traffic and parking are horrendous, and last,

and worst of all, the waves trickle away into summer time slop with only a few hundred people to share it with. And if that isn't bad enough, the surf/swim flag is moved both at Shores and Scripps leaving thousands of surfers with a meager few hundred yards of area to surf. Time to put our heads down and get through the summer months ahead. I've heard tempers are already beginning to flair, so stay calm, think of your winter sessions and remember what surfing is all about.... HAVING FUN!

But, it is not ALL bad. The water gets warm and you can finally dry out your wretched wetsuit!

Aloha and see you out the water.

Your Prez,

Louis Fehrensen

Contest Volunteers Make It Happen

The La Jolla Shores Surfing Association and our Board of Directors salutes all of our 2005 contest volunteers. From 5am in the morning until the last piece of trash was picked up around 4pm, club member, friends, and family all pitched in to help us host a successful event. Thank-you to all who helped! We couldn't have done it without you. Special thanks go to **Bill Andrews**, morning session Beach Marshall with attitude, our BBQ team headed by **Freddy D'Acquisto** and **David Clawson**, **Ed Newton** for hand crafting our awesome heat board and finishing over 40 wooden surfboard trophies after the contest, **Nikki Belanger** for running all over town to hunt down our Starbucks coffee, Louis' wife **Michelle Fehrensen** who took photos and helped Louis keep sane, and our winning team of kids – **Brett Hoffman**, **Sophie Hollow**, **Monika Sammon**, and **Brendan Engh** who sold over \$375 worth of raffle tickets. Finally, all of this wouldn't happen without our own **Stephanie Hoffman**, contest coordinator, who puts in countless hours to make it all happen. This is her 5th year of helping the club host this contest and we couldn't operate without her energy and enthusiasm. We have leftover contest t-shirts, so stop by Dave's truck to get one. They're on sale now for \$5.00. If we have somehow overlooked you in the list to the right, we offer our sincerest apologies.

The LJSSA is open to new members!

Our club is an open and friendly group, welcome to newcomers. We invite your participation and involvement in our activities, contests, and gatherings. Annual dues are "due" every August: \$35 for adults, \$25 for students, and \$10 for additional family members. The dues help fund our numerous activities and keep things going. Our Board is elected every year in September. Please visit our website for more info: www.ljssa.org.
